tile.

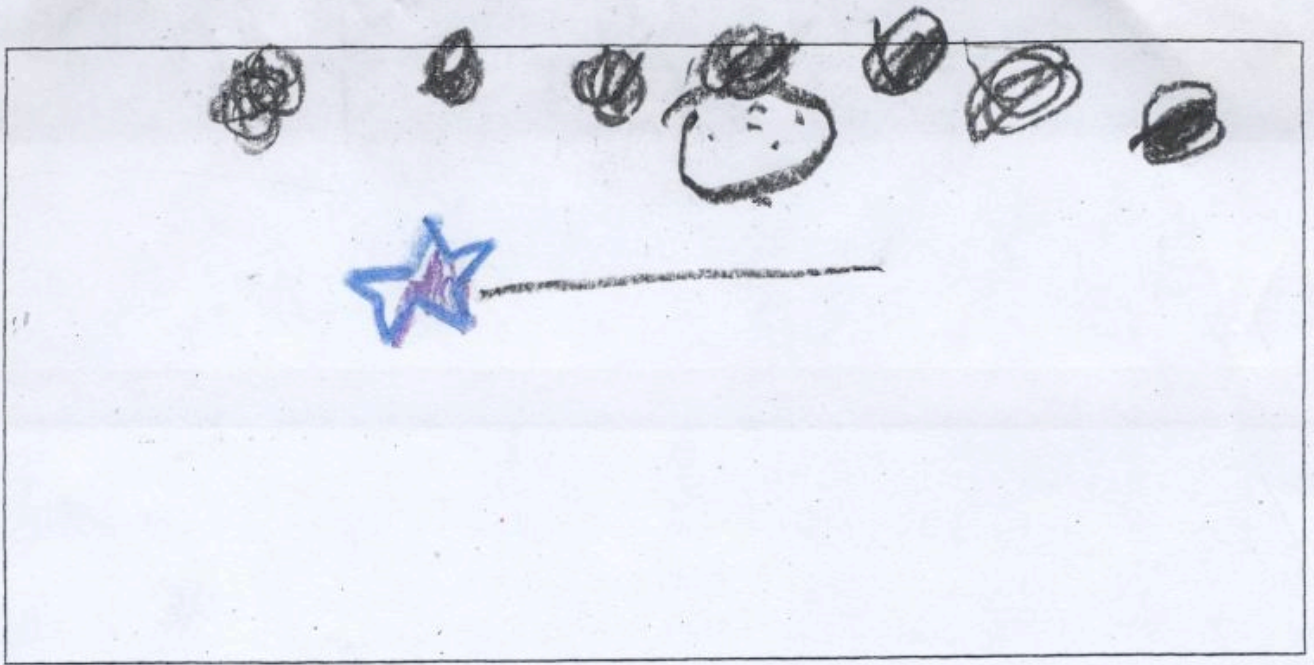

And I love school.

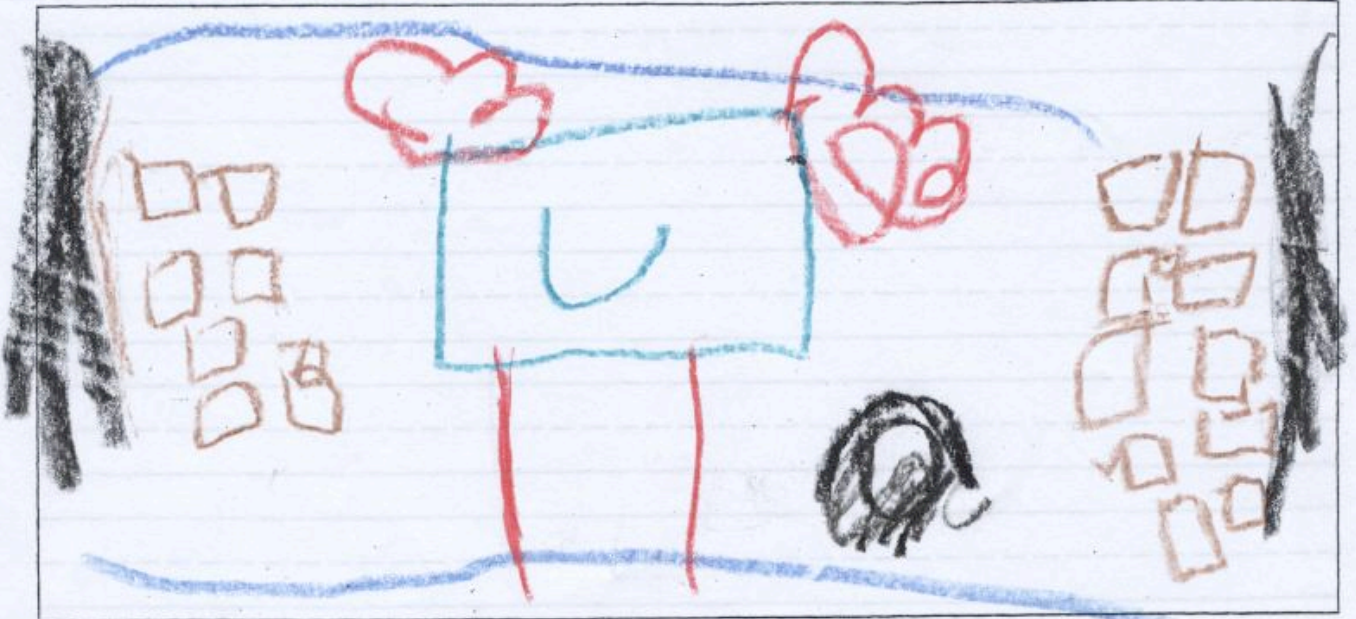

Every water
loves a fish.

Every soup loves
a dish.

Every Shooting
star loves a wish.

And I love
school.

The
End

About the Authors

Mrs. Clune's class is a team. They had a wonderful time writing this book. They learned writing is a lot of work. The authors had a happy time this year reading books, learning how to write, singing, and learning humongous words. They had the most fun with the word bamboozled!
